The Chief said there are bogus bills being passed in the county, 20's, 50's and 100's. OLD BUSINESS

Temporary Inflatable Sign – Zoning Amendment

Mr. Todd asked Alliss Strogin to clarify if the Zoning Board is going to make a recommendation to the Trustees. Mrs. Strogin said the Zoning Board had to come to an agreement as to what they (the Zoning Board) want. Mr. Todd asked if this would be finished by December. Mrs. Strogin said there is a lot of conflict and it depends on how soon they come up with a final document. Mrs. Strogin said they don't want to rush it because they don't want to make mistakes. Mr. Todd said he is not trying to rush them but he wants this to be finished and not have it put on the back burner. Mr. Jarrett said to keep things moving along. The Zoning Commission will hold a workshop September 25 at 7:30 pm regarding this issue.

Temporary Sign Permit for Doraty KIA

Mr. Todd was contacted by the reporters regarding Zoning Inspector Ridgley denying Bill Doraty's request for a temporary sign. PURCHASE ORDERS AND TRAINING REQUESTS CON'T

Window in Gymnasium and Old Kitchen (Parents Room) Weymouth Community Center

Mr. Todd spoke with Ian Jones of Medina Soccer Association and asked if the MSA was going to put a window between the gymnasium and the old kitchen. Mr. Jones said they plan to put a window in between the gym and the old kitchen (parents' room) and pay for all of it. They want Trustees approval.

Mr. Todd motioned to approve the Medina Soccer Association to put in a window into what they are going to use as the parents room with the understanding that the window would be able to hold up against basketballs or soccer balls or anything that can be kicked against them. Mr. DeMichael seconded the motion. Voting aye thereon: Mr. Todd, Mr. DeMichael and Mr. Jarrett.

OTHER BUSINESS

Soccer Shots

Mr. Todd spoke with Joe Herman of Soccer Shots (which is a for profit business) regarding his use of 2 rooms at Weymouth Community Center. Mr. Todd said Mr. Herman would have to get approval from the Zoning Commission and the Zoning Board of Appeals prior to leasing the rooms. Mr. Herman offered \$1.50 per square foot (\$2,346.00). Trustees discussed charging a set monthly fee for rent and maintenance (utilities, etc.). Soccer Shots would pay a monthly installment and at the end of the year an adjustment would be made as to either a refund or an additional charge. This would be a 1-year lease that would be renegotiated at the end of the year. Mr. DeMichael is concerned with setting a precedent at charging only \$1.50 per square foot because of the cost of maintenance and utilities for 1500 square feet. Mr. Jarrett wants to know what the cost will be for encapsulating the 2 pipes. Mr. Todd suggested charging \$250.00 a month including maintenance for 1 -year. Mr. Herman said he could not afford \$250.00 per month. Mr. Todd asked Mr. Herman if he will tear out the old carpeting and replace the floor and paint for a rental fee of \$200.00 a month. Mr. Herman agreed.

Mr. Todd motioned to rent rooms #14 and #17 for \$200.00 a month for a year- long lease to Soccer Shots with the understanding that Soccer Shots will remove the carpet, put down new flooring and paint the rooms. Mr. Jarrett seconded the motion. Voting aye thereon: Mr. Todd, Mr. Jarrett and Mr. DeMichael.

Mr. Todd motioned to amend his original motion to say, also contingent on approval of the Zoning Board or the Zoning Board of Appeals, depending on which one is the appropriate one. Mr. Jarrett seconded the motion. Voting aye thereon: Mr. Todd, Mr. Jarrett and Mr. DeMichael.

Cleveland Magazine

Mr. Todd asked Celia or Chief Arbogast to talk to Laurie and ask Cleveland Magazine to include Medina Township in their rankings. He is curious as to where Medina Township stands in the list. Medina City, Hinckley and Bath Townships and Brunswick City made their list as the best suburbs in the area.

Weymouth Days

Mr. Todd said Weymouth Days will be Saturday September 15, 2012. The Police Department will have the rest rooms will be available but they will not have access to the building.

Ribbon Cutting for Weymouth Community Center

Mr. Jarrett would like to have a ribbon cutting sometime in September 2013.

Weymouth Preservation Society

Sally Gardner discussed the improvements made by the Weymouth Preservation Society and donations that were given to the Weymouth Preservation Society.

OTHER BUSINESS CON'T

Township IT Spending

Mr. Todd and the Trustees have looked into what it is costing for IT service to the Township and they have all agreed that the cost is exceeding the benefit. Intech does the IT work for the Police Department and Chad Riffle does the IT work for the Fire Department, Administration and Road Department. The Trustees would like the department heads to let the Trustees know what they need from an IT standpoint. The Trustees would like to have a flat rate and eliminate the hourly rate that they now have. The more control they have over a person whether they are acting as a contractor or an independent they are deemed an employee. If this continues the overall cost will be close to \$70,000.00 and that is too much.

Medina County Food Drive

Mr. Jarrett said he has joined with Lafayette Township to join the Medina County Food Drive for the Medina County Food Bank. The deadline is September 22. Your food or cash donations can be dropped off at the townhall 3799 Huffinan Road.

2013 Estimated Tax from the Ohio Department of Taxation

Mr. Jarrett said the local government fund last year was approximately \$70,000.00 and for 2013 it is estimated at \$53,322.00.

Ambulance Renewal Levy Ballot Language

Mr. Jarrett said the ballot language for the November 6, 2012, general election was received from the Board of Elections. This ballot language is for providing emergency medical service, ambulance service or both, for the Township. At this time he is asking all the residents of the Township to support this particular ballot. Basically it is 10 cents for every \$100.00 of the valuation of your property. Mr. Todd said this is not a tax increase it is a renewal.

Medina Creative Housing-20 Year Anniversary

Mr. Jarrett said Medina Creative Housing is having their "20 Years of Service Anniversary Celebration" September 26, 2012, from 4 to 7 pm at 4100 Creative Living Way.

PUBLIC COMMENT

Mr. Todd motioned to open the floor for public comment. Mr. Jarrett seconded the motion. Voting aye thereon: Mr. Todd, Mr. Jarrett and Mr. DeMichael.

Robin Gray (4074 Remsen Road) asked if the Trustees have heard about possible pipe lines and compressor stations being placed in the Township in the future. Mr. Todd said they have not seen anything officially. She then gave a report on what is going on regarding fracking.

Sandra Bilek (3414 Hamlin Road) commented on what Robin Gray had said about the pipeline. She presented Trustees with a resolution regarding injection wells and gas drilling.

Sally Gardner (3333 Foskett Road) commented on the increase in prices due to the pollution of the air and water.

Mr. Todd motioned to close the floor for public comment. Mr. DeMichael seconded the motion. Voting aye thereon: Mr. Todd, Mr. DeMichael and Mr. Jarrett.

TM9/13/12

OTHER BUSINESS CON'T

Fracking Resolution

Mr. Todd said he doesn't see a problem with the resolution Sandra Bilek presented to them. Mr. DeMichael would like to wait until the next meeting.

Plum Creek Parkway Paving

Mr. Todd said the Township is joining with Brunswick Hills to pave Plum Creek Parkway. The cost is \$122,220.00. Our cost is 26% or around \$30,000.00. Mr. Miller asked if Trustees would consider milling it down further before paving. The county said the increase would be around \$7,000.00 or \$8,000.00. The County will not include it as part of their proposal but they would approve it and include it as the Township's cost. Mr. Miller will provide numbers to the Trustees.

Letter of Intent from Dianna Huffman

Mr. Jarrett said a letter was received from Dianna Huffman asking to be considered to serve on the Steering Committee if they were going to fill Judy Ruppelli's position. Mr. Todd said Mrs. Ruppelli was on the committee as a real estate person and if they fill the position it should be another real estate person. Mr. Jarrett said it creates an issue when you change the makeup of the committee.

Employee Attendance at Meeting

The Trustees asked if either of the Chief's asked an employee to attend a meeting for informational purposes. Chief Arbogast said he only asks employees to attend the meeting when they are being honored and Chief Crumley said he only asks his employees to attend when there is a specific topic to discuss.

DEPARTMENT HEAD COMMENTS

County Fire Chiefs Meeting

Medina County came in second in the nation for fundraising and Medina Township came in seventh overall. Firefighter Mike Zevcheck was the first firefighter to cross the finish line in Medina.

Fenn Road

Mr. Miller talked to Mike Salay, County Engineer, and was told Fenn Road will be opened around the first part of October.

Dumpster Day and Pick-it-up Day

Mr. Miller would like to hold Dumpster Day before Pick- it-up-Day and hold it in the beginning of April if the Trustees agree.

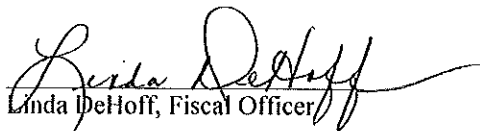

TM9/13/12

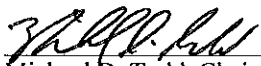

DEPARTMENT HEAD COMMENTS CON'T

Lights in Gym

Mr. Miller said the lights are being installed in the gym at the Weymouth Community Center. He also asked permission to fly a flag. There is a flagpole they just need a rope. Trustees said yes.

Mr. Todd motioned to adjourn the meeting at 10:27 pm. Mr. DeMichael seconded the motion. Voting aye thereon: Mr. Todd, Mr. DeMichael and Mr. Jarrett.

END OF REPORT

Dear Medina township board of trustees,

I, Joe Herman am proposing to lease rooms 14 and 17 at the building at 3078 Remsen Rd. I will be using these rooms to run my business (Soccer Shots). This will be office space for me and my employees. No soccer will be played in these rooms.

I am proposing to pay \$1.50 per square foot, per year. Each room is 23 x 34 or 782 square feet. The total square footage of both rooms is 1,564. The total cost for both rooms annually is \$2346.00. I am suggesting two payments be made per year. The First payment will be made on Oct 1st 2012 of \$1173.00 and the remaining balance of \$1173.00 to be paid on April 1st 2013.

In the best interest of both parties, I am proposing a one year contract with the intent to renew each year for the next 5 years. At each renewal, we will increase the rent by 5% but not to exceed a \$2.00 per square foot per year.

Upon leasing rooms 14 and 17, I request Medina Township take care of getting the floor in both rooms down to the original concrete floor (removing old carpet and any other flooring that may be there). In room 14 there are two pipes that will need encapsulated by Medina Township. I will take care of painting in rooms 14 and 17. I will also take care of either painting the floor in both rooms or putting in some type of flooring (carpet, VCT, Ext). I will also take care of painting the hall and entrance area by rooms 14 and 17 if the township would like me to.

Sincerely

Joe Herman
