Mark Herwick – Homestead Insurance

Mark Herwick of Homestead Insurance asked Trustees if they received the Medical Mutual renewal documents that he dropped off previously and was told yes. He then presented the Trustees with some documents regarding changes they may wish to consider. He said it was nothing they had to vote on. The confidential outline is just the 2018 projected plan costs. There may be changes to the numbers after the election. The medical renewal was 2%, dental was 3.11% and vision was 0%. He said the costs have stayed pretty level and the renewal date for all contracts will be January 1. Mr. Herwick checked the IRS website and the HSA can be paid annually, semi-annually, quarterly, monthly, any way you choose but it has to be the same for everyone. Also, because you fund the HSA accounts based upon enrollment, if there are spouses or adult children that can get insurance through their employer then you may want to set some parameters to your plan and then we would put them in your plan documents so that it prevents abuse of the system because the plan is very generous and the donations are very generous. Mr. Jarrett commented on the decrease in the cost for the plan since 2015.

Erica Graffain – Medina County Auditor's Office

Erica Graffain, Medina County Auditor's Office said we have contracted with a company for the 2019 re-appraisals. They will have an Auditor's Office ID. They will not come into your home. Police Department

Chief Arbogast said that as part of the grant they were able to obtain a number of lock boxes. The criteria is that you over 65 years of age and on a fixed income, a disabled veteran or disabled at any age or you have a specific medical condition that warrants response entrance to your home. They must also be a Township resident. A form can be filled out online or you can go to the Police Station and the Police will come out and bring the lock box. The person would set the code and give it to us on a secured area of our call record and your address would come up when dispatch is called. The Police Department will host a Halloween party for children up to 12 years of age October 31 from 4 to 6pm. There will be hot dogs, games and give-a-ways. Wear your costumes. Chief Arbogast said 600 Police Departments nationwide hosted a Coffee with a Cop event. Medina Township Police hosted their event at Yours Truly and the Chief bought coffee for whoever came in that purchased a breakfast.

Fire Department

Chief Painter said they had twenty-seven (27) calls for the month and a total of 127 calls for the three (3) communities. They had a structure fire and it was taken care of. He said they are still fielding calls regarding the misinformation about the fire contract. People still think all of the Medina Township stations are closed and all the equipment was liquidated. When we go on calls we try to clarify to the residents that that is not true. Chief Painter invited the public to attend the Fire Departments annual open house at Station One (1) on Reagan Parkway. They will display apparatus, a helicopter is coming in and Corkscrew cooks for us. It will be from 11:00 am to 3 pm on Saturday October 14.

Service Department

Superintendent Miller got a price for repairing the drainage issue in the parking lot at the Remsen building. The cost would be \$38,290.00. He said Mr. Jarrett asked him to get two (2) more quotes and he asked if the Trustees could recommend someone. Mr. Jarrett said he would reach out to a few contractors to see if they would be willing to give us a quote. Mr. Miller received a check for the use of the concession stand from Triple Crown Vending. Mr. DeMichael read the letter (see attached) and turned over the \$500.00 donation. Mrs. Ventura said it will be deposited in the Blakslee Park fund.

Weymouth Preservation Society

Brian Feron reported that the WPS hosted Leadership Medina for a presentation about Weymouth Preservation Society, the history of the Township, a cemetery tour and a talk at the Weymouth Church about abolitionists in the Township and a history of the Church. He stated that as part of the bicentennial celebration they will be hosting a cemetery tour Sunday October 8 from 2 to 6 pm. They are looking for different ideas on how they can clean the cemetery fence because they don't want to run a hose across the road.

OLD BUSINESS

Food Drive

Mr. Jarrett said the food drive will continue through November 4. October 7 from 9 am to 1 pm we will have our big food drive push at Wal-Mart. Our Fire, Police and Service Department will be out there accepting the food or cash donations. Mr. Baffoe was told that no tents, tables, chairs, etc. are allowed in the road even though it is a cul-de-sac. Mr. DeMichael seconded the motion. Voting aye thereon: Mr. Ostmann, Mr. DeMichael and Mr. Jarrett.

Resolution to Cease Collection on the 2003 Continuing Fire Levy

Mr. Ostmann said on reviewing the 2 mil Fire Levy that is on now we did pass a resolution that it would be repealed if the 1.4 mil levy passed. Our reviewing this and knowing now that we don't have to replace equipment for fifteen (15) years and we don't need to build new buildings or anything now would be a good time to repeal it immediately and save the taxpayers some money.

Mr. Ostmann read the following resolution: The Medina Township Board of Trustees, Medina County, Ohio, met in regular session on this 5TH, day of October, 2017, with the following members present: William Ostmann, Chairman, Ken DeMichael, Vice-Chairman and Ray Jarrett, Trustee.

Mr. Ostmann offered the following resolution and moved for the adoption of the same, which will be seconded.

Resolution No. 10052017-021

A Resolution to Cease Collection on the 2003 Continuing Fire Levy, Effective Immediately

Whereas, The Board of Trustees has entered into a Fire Service Contract with the City of Medina, and;

Whereas, on August 24th, 2017, the Board passed Resolution Number 08242017-018 to cease collection on the 2003 continuing fire levy if the joint Emergency Service Levy was passed by the voters at the November 7, 2017, election, and

Whereas, upon further review it has been determined that the existing continuing levy is unnecessary to meet the needs of the contract for the next three years;

Now Therefore, be it resolved, that the Board direct the County Auditor to terminate and cease collection on the 2003 fire levy, effective immediately, with no collection for 2017 due in 2018, or thereafter. Mr. Jarrett seconded the motion. Mr. DeMichael said this is what he suggested doing a few weeks back and he doesn't know what's changed. Mr. Ostmann said now he knows we won't need to buy anymore fire equipment or apparatus for fifteen (15) years which is a huge difference in what he knew last time. Mr. DeMichael said can you say without question we're not going to need aChief Painter said they have a new truck coming in at the end of November and the mechanic has gone through all the trucks and there is no need to replace them.

TM10/5/17

Resolution to Cease Collection on the 2003 Continuing Fire Levy Con't

Mrs. Ventura asked if upgrades to the fire buildings are needed. Chief Painter said they have gone through the buildings and they don't see anything major that needs to be done just general maintenance. Mr. DeMichael said he feels it's politically motivated and he doesn't see a need to do it before we see if the other levy is passed in four (4) weeks. Mr. Ostmann said okay. Roll call vote: Mr. Ostmann aye, Mr. Jarrett aye and Mr. DeMichael no.

PUBLIC COMMENT

Mr. Ostmann motioned to open the floor for public comment. Mr. Jarrett seconded the motion. Voting aye thereon: Mr. Ostmann, Mr. Jarrett and Mr. DeMichael.

Gary Vene (3803 Hamilton Road) asked if the Remsen Building was still tied up in court and it still could not be discussed and he was told yes. Mr. Vene asked if the lock boxes were electrical or digital. Chief Arbogast said they are mechanical.

John Basilone (4971 Shady Brook Run) said public comment is on the agenda, and when he has a question he doesn't know why he can't be recognized for his question. Mr. Ostmann said it is not required, by law, to have public comment and he asked Mr. Thorne if taking a question is different. Mr. Thorne said you don't have to allow public participation at all. Those in attendance have the right to listen but they don't have the right to make any comment. Mr. Basilone asked if they are saying legally they are not required to take comments and he asked where Mr. Thorne got that information. Mr. Thorne said it is in the Ohio Sunshine Law, you have the right to come and listen but you don't have the right to speak. Mr. Basilone asked if they follow Roberts Rules of Order and Mr. Ostmann said they have not adopted Roberts Rules of Order.

Mark Radice (4036 Stonegate Drive) asked what the September 11 emergency meeting was for. Mrs. Ventura said she asked for the meeting so she could move money to the zoning training line for the APA Conference. He asked why they asked for a safety service levy if we don't need the money for fire. Chief Arbogast said the Police Department may be a big benefactor and he was trying to be collaborative so the money could be used for Fire, Police and EMS. Mr. Radice said it could have been put off because the other departments don't need the money. Chief Arbogast said no, it couldn't have been put it off because he was trying to be collaborative so all departments could use it if need be. Mr. Radice said he understands. Mr. Ostmann said the Police are going to need more money and what they are trying to do is have the flexibility to be able to utilize the money for any department, Fire, Ems and Police. Mr. Radice asked what was going to happen to the \$900,000.00 in the fire fund and Mr. Ostmann said that will be used to pay for the fire contract for three and a half years. Mr. Radice asked where the safety services money was going to go and Mr. Ostmann said the money will be used where needed and the rest will be saved to use for either EMS or Fire.

Dave Clardy (3497 Old Weymouth Road) wanted to know who asked for the workshop meeting and was told the Fire Department requested the meeting. He asked how the request for a 3 to 5 mill levy for the Fire Department was determined and Mr. Ostmann said it was determined in the workshop and it is in the minutes. Mr. Clardy asked Chief Arbogast what his specific budget was and Chief Arbogast said he had a five year budget between now and 2022 that is very detailed but he doesn't have those numbers with him. He offered to provide them for Mr. Clardy and Mr. Clardy said no he just wanted to know how much of the 3 to 5 mil was for the Police. The 3 to 5 mil was only for Fire.

Matthew Galla (3503 Hamilton Road) asked what the Police budget was. Mrs. Ventura said the final appropriation was \$1,224,748.43. She said we don't appropriate everything because we have to have money to start our next year off. The Chief didn't expect to be paying off the leases on the Police cars but we did it to save interest. Chief Arbogast said what we spend is lower than Montville, Hinckley and Brunswick Hills and we have more calls.

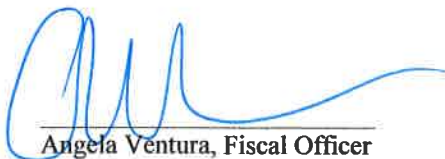

TM10/5/17

PUBLIC COMMENT CON'T

John Basilone asked when the fire levy is stopped when it is retroactive to. Mr. Ostmann said it is not retroactive it is effective immediately. Mr. Ostmann said the tax collection is a year behind. Erica Graffain said that in January 2018 that particular levy will not be collected.

Mr. Ostmann motioned to close the floor for public comment. Mr. DeMichael seconded the motion. Voting aye thereon: Mr. Ostmann, Mr. DeMichael and Mr. Jarrett.

Mr. Ostmann motioned to adjourn. Mr. Jarrett seconded the motion. Voting aye thereon: Mr. Ostmann, Mr. Jarrett and Mr. DeMichael. There being no further business to come before the Board the meeting was adjourned at 8:08 pm.

MEDINA TOWNSHIP

Medina Township

Triple Crown Vending would like to thank the Medina Township for allowing us to utilize the Blakslee Sports Complex Concession Stand for the summer of 2017.

We have spent over 300 hours this summer at the baseball fields and feel that for our first year all went well. Working with your maintenance staff has been enjoyable and we have appreciated all of their help. We have enjoyed servicing all of the baseball players and their family members as well.

Considering the time we spent and the cost to us for some equipment and inventory we have determined that a check in the amount of \$500 is a reasonable amount that we would like to donate to the Medina Township.

We look forward to the 2018 baseball season and hope that next year will bring much more benefit to both the Medina Township and its residents.

Sincerely,

Triple Crown Vending
Bryan and Denise Paterak
