DEPARTMENT HEAD COMMENTS

Zoning Department

Mrs. Ridgley said the weather is getting nicer so the Zoning Office is getting busier.

Police Department

Chief Arbogast said we received recognition due to the efforts of Officer Ventura in recognizing someone's picture on a traffic stop for an international skimmer ring which now has over 10,000 victims in 23 states and there have been 53 indictments. The person from Officer Ventura's traffic stop is now in Cuba and as soon he comes back he will be arrested. It all started at our Circle K with a very sophisticated skimming device that gets into the actual computer software.

Service Department

Mr. Miller said the culvert on Cook Road used to be a box culvert that was changed to a round piece of pipe that was put up against the square box years ago. It has to be dug out and a concrete collar put around it with a little head wall built. Toss ur Trash Day will be April 14 from 8am to 3pm. The shredder will be there from 8am to Noon. Mr. Miller asked about the status of the concession contract. Triple Crown Vending is interested in doing it again. He asked if they just want to sign the contract we had last year. The Trustees agreed to allow Triple Crown Vending use of the concession stand. Mr. Miller will get the contract.

OLD BUSINESS

Discussion of Frontier Phone System

Mr. Stopa spoke with Armstrong and received a proposal from them. He is still going through it to verify that everything they talked about is in there. He has a meeting next week with another company to get another price. Hopefully he will have something to present to the Trustees in April.

Fitness Court

Mr. DeMichael asked if the other Trustees reviewed the video on Fitness Court. Mr. Radice said it is interesting but he doesn't know how it would fit anywhere. He asked Mr. DeMichael if he had thought about where and how it would lay out. Mr. Miller asked if it was an indoor or outdoor facility. Mr. DeMichael said it was an outdoor facility. Mr. Miller said the video he watched showed it was an indoor facility. Mrs. Ventura said she thinks the main one was outside in California. Mr. DeMichael said the Fitness Court cost was \$120,000.00 but they could get a \$10,000.00 grant. Mr. Radice said it is an outdoor station exercise area that you can put up at a park. Mr. Stopa said it is basically in one section and everything is a station one right after the other. Mr. Radice said he would like to see something there. There was discussion from the audience on this project.
