Due to the current COVID19 pandemic, Medina Township will be following the CDC, Ohio Department of Health and Governor DeWine's ban regarding gatherings. Currently there is no prohibition on attending Township meetings, however, there has been one confirmed case of COVID19 in Medina County. It is strongly recommended that if you do not have immediate urgent business in front of the Board of Trustees, community members should not attend Township meetings. Due to limited space we will not be able to accommodate the community and keep the recommended six-foot distance between individuals.

The agendas will be limited to the essential administrative business of the Township, all other business will be tabled until further notice. A copy of the agenda will be available on the Medina Township Website and Facebook Page.

Beginning March 19, 2020 Trustee meetings will be temporarily live streamed at the Medina Township YouTube channel.

Please contact Medina Township offices with any questions or concerns at (330) 723- 5713.
